

Critical Information Summary

Inbound Calling Plans

Description of this service

The Smart Business Voice Inbound Calling Plans provide virtual inbound calling numbers specifically 13, 1300 and 1800 numbers. The supplier is charged for the call as opposed to the caller. These plans can also provide intelligent call-based routing.

Service Delivery Requirements

All Inbound Calling plans require a minimum of one routable phone number to terminate the inbound call.

Setup Fee

There is a setup fee of \$59.00 ex. GST per number including new and ported numbers.

Contract Term

All plans are for a 12 month term.

Inbound Call Rates

Inbound Call Rates are available on the following page. Rates are subject to change at any time.

Pricing Information

Billing occurs monthly on approximately the 15th of each month. Refer to the Inbound Pricing Table on the next page.

Usage Information

Please email us at info@sbvoice.com.au if you want to obtain call and data usage information.

Early termination charges

If you cancel your service prior to the end of your contract term you will incur early termination charges. These are calculated by multiplying the number of outstanding contract months times the minimum monthly contract charge. The maximum amount payable is the full contract term (12 months) excluding call charges.

Accessible Services

For accessible services please refer to the ACCAN's Disability Portal – Accessible Telecoms (<https://accan.org.au/consumer-information/disability-portal>).
