

# CRITICAL INFORMATION SUMMARY

## BUSINESS TRUNK (INCL. CALLS) PLAN

### Description of this service

The Business Trunk (incl. Calls) Plan provides a phone line for a business telephone system using Voice over IP (VoIP) technology via their internet connection.

### Service Delivery Requirements

An internet service with a minimum speed of 128/128 Kbps per trunk is required. If this is not available, Smart Business Voice cannot guarantee the quality of the service. The customer is responsible for supplying the internet connection and is not included within any of the supplied plans.

Routers must have SIP ALG disabled for the service to function correctly.

All Business Trunk plans require a minimum of one hosted phone number. Please see Business Trunk (incl. Calls) Pricing Table on the next page.

### Hardware Requirements

All hardware is purchased separately and is not included as part of this plan. Smart Business Voice can supply hardware and is quoted separately. If you are providing your own hardware, you are responsible for any warranty claims or service repair.

The Customer is responsible for providing support under this Service Plan.

### Connection Fee

There is no connection fee.

### Contract Term

All plans are for a 12 month term.

### Call Rates

This Plan includes unlimited calls to local, national and mobile numbers. Rates are subject to change at any time.

### International Rates

International Calls are not included in the Business Trunk (incl. Calls) Plan. Please contact us for specific country rates. Rates are subject to change at any time.

### Calls to 13 / 1300 numbers

This Plan does not include calls to 13 / 1300 / 1800 numbers.

### Calls to Service numbers

This Plan does not include calls to Service Numbers.

### Pricing Information

Billing occurs monthly on approximately the 15<sup>th</sup> of each month.

### Usage Information

Please email us at [info@sbvoice.com.au](mailto:info@sbvoice.com.au) if you want to obtain call and data usage information.

### Accessible Services

For accessible services please refer to the ACCAN's Disability Portal – Accessible Telecoms (<https://accan.org.au/consumer-information/disability-portal>).

### Emergency Services

This service does not guarantee uninterrupted access to 000 Emergency Services. This service will not function in the event of power loss. Priority Assistance is not available on these services.

### Early termination charges

If you cancel your service prior to the end of your contract term you will incur early termination charges. These are calculated by multiplying the number of outstanding contract months times the minimum monthly contract charge. The maximum amount payable is the full contract term (12 months) excluding call charges.
